2. Do exercise 4 page 128.

## **NS: LIFE SCIENCES**

1. *Sexual Reproduction*  
Work through Textbook page 57 and the Activity on page 58.
2. Work through pages 59-62, up to the end of Reproductive Organs.

Note: Supplementary notes with detailed explanations and videos will be available on Google Classroom as well.

## **SS: GEOGRAPHY**

*Please note that we will be posting additional activities on Google Classroom for all learners to complete. These will be uploaded as we move through the lockdown. We understand that not everyone has access to Google Classroom and so below are the pages that we will be covering in each grade from the prescribed textbook. Please complete all the activities outlined below during this lockdown period.*

Textbook pages to cover (including work for the additional week): 163 - 173, completing Activities 1 to 4 in Unit 1 and Unit 2.

## **SS: HISTORY**

All notes and pages in textbook up to and including *Pearl Harbor*, as well as revision activities.

Extension work is added to Google Classroom weekly.

## **ECONOMIC AND MANAGEMENT SCIENCES**

1. Complete Activities 42- 49 on *Accounting equation* and *General ledger*.
2. We are starting with *Debtors journals - credit sales*.

Activity 19-21

## **DESIGN AND TECHNOLOGY**

1. Go through PowerPoint Presentation *Gear systems* and read pages 82-91 in the textbook
2. Attempt enabling task 1 and 2 on page 87 and enabling task 3 on page 89.

## **INFORMATION TECHNOLOGY**

See *Excel files* on Google Classroom.

## **CREATIVE ARTS**

*A message from Ms Laschinger:*

Dear Grade 9's

Please go to Google Classroom code: fae5ler and find a message and a Hip Hop project there for you to do. I hope that you find it enjoyable and fun to do!

All Gr 9 classes are to do this project. Yes, it is for marks!

Queries about the project can be posted in that classroom.

Please stay home and work hard during this time! Look after yourselves!

Ms Laschinger
