29 April 2024

Dear Parktown Family,

### School Governing Body Update

It gives me great pleasure to introduce the newly elected SGB. Thank you to everyone who was part of the process. We wish our SGB all the best as they assist and support the school in realising the PBHS27 vision and ensure that we continue to provide a safe, caring and nurturing environment for our boys to grow and develop.

**Ozwell Chihwayi (Chairperson)** - Our younger son, Adrian is in Grade 11 and I am honoured to be involved in creating a safe environment for our boys, educators and parents.

My day work is in Financial Technology and I am passionate about organising and facilitating community events. I have been involved with the School Governing Body since 2021 and I believe that as parents; it is our duty to continue building and protecting the great legacy of the school as we create a fine breed of brothers, fathers and husbands who will be strong and courageous, while kind and compassionate gentlemen.

**Craig Townsend (Treasurer)** - I've successfully run my own SME business for the past 25 years.

In my spare time, I enjoy playing golf whenever I get the opportunity to do so. My son is currently a boarder in Grade 12 and has played cricket and hockey for the 1<sup>st</sup> team since Grade 10.

My way of giving back to the school to get involved by volunteering my services when we host matches at home. I'm also the Chairman of the Cricket Sub-Committee, and I'm looking forward to serving Parktown Boys on the SGB.

**Zainab Choughuley (Secretary)** - I am an educator by profession with 21 years teaching experience. Fundraising is my passion and I am currently the Chairperson of the Parents Association. I am eager to collaborate with all stakeholders to contribute to the continued success and growth of our school.

I trust that my educational experience will add value to our school.

**Keith Driver (Vice-Chair)** - I believe a happy staff, pupils and parents lead to a successful school where learners are taught more than just how to answer a test but learn to think for themselves and apply the knowledge that they have gained.

These are principles that are embedded in the school's vision 2027. If we as parents want our children to succeed in life we better be prepared to get involved and support them all.

**Firoza Limbada** - Mother to three young men. Two of them are at Parktown Boys' High School in grade 12 and grade 10.

I'm a senior leader at a leading Financial Institution, with a background as an IT Professional.

A member of the cricket Parent Sub Club and passionate supporter of the school.

**Mpumi Mdakane** - A dedicated mother of two wonderful kids. With 15 years of experience in financial services, I have honed my skills and expertise in this dynamic field. Previously, I served as the chair and member of the School Governing Body (SGB), contributing to the educational community.

My educational journey includes earning an MBA and various degrees in financial services. Beyond my professional life, I find joy in hiking, exploring the great outdoors, and discovering hidden trails. I am an aspiring Golfer and

As a devoted mother, I prioritize supporting my children, nurturing their growth, and ensuring their well-being.

**Roger Wentzel** - 47 years old, Store Development Executive at Cashbuild SA. Matriculated at Parktown Boys in 1994

My father was an old boy, all my uncles on both sides of my family, brothers and now my son, we as a family have been part of the Parktown family since the 1960's. Current parent of a new Grade 8. Looking forward to my role on the SGB and I believe will add value in all construction projects, project management and any role I can assist with on the team.

**Johan Herman** - I am a Regional Court Magistrate for the Region of Gauteng. I have obtained the qualifications BA.LLB from the University of the Western Cape (UWC). I am a proud supporter of the Stormers and WP rugby teams. I am involved in rowing and rugby at PBHS since 2023. I love having frank conversations about things that can enhance both friendships and the values PBHS stands for.

I live by this quote: 'Do not reject what you do not understand for with understanding comes acceptance.'

**Sean Peter Hutchinson** - I am a proud dyslexiasic. Father of two boys Miles in GR9 John-Paul in GR 3 at Craiglands. Worked for Vodacom for 22 years, stated out in the call centre. Currently in Heath Safety and Wellbeing. Been involved with PTBHS since 2007 when I started helping with the Cadet Corps of the school and getting the GR11 boys ready for the annual remembrance parade held at the school in November. I am passionate about the youth deployment but more so the deployment for the boy child, which I personally feel has not been a priority, as these young men are going to be the future fathers, husbands and they need to be shown by good role models and true men how to be the men of the future that we all want in our homes and country.

**Cyril Mitchley (PS Staff rep)** - Matriculated in 1979 from Jeppe Boys High School, I went on to play professional cricket. I have been an estate manager for 35 years at Jeppe, Parktown and Kingsmead College. I have also coached cricket at Jeppe and at Parktown.

I am happy to be back at Parktown and look forward to spending a few years here, playing my part in seeing that Parktown remains one of the top schools in Johannesburg.

Teacher Reps:

**Jarred de Jong; Eunice Chihangane and Aubrey Wessels**
